

Re: EIEP REVIEW or CHANGE PROPOSAL APPLICATION

Attention: Standing Data Formats Group

This form is to apply to the Standing Data Formats Group for the review of or to make a change to the Electricity Information Exchange Protocols (EIEPS). Any participant can initiate a proposal to change the formats, report or protocol guidelines by submitting this change proposal form to the Electricity Commission. For further information on the change process please see appendix one.

A. Participant Details (main contact)

Your Name:	Danny McManamon
Company:	Contact Energy
Telephone:	04-462-1111
Email Address:	danny.mcmanamon@contact-energy.co.nz
Signature:	D.J. McManamon Date: 27/3/07

B. Details Change Proposal

We would like to recommend a change or review of the following:

- ☒ EIEP Data Format Number: 1 (insert number and version of EIEP)
- ☐ Report
- ☐ Protocol Guideline

Please detail the reasons for your request:

To clarify the Key Field Data Description regarding dates associated with RV Status (Reversal) events

Add words to Para 2: (* below)

The Start Date and End Date on the reversal should be the same as on the original bill.

* The Start Date must always pre-date the End Date
