Explanatory Note

This note is not part of the amendment, but is intended to indicate its general effect.

This amendment to the Electricity Industry Participation (Additional Registry Fields) Code Amendment 2012 comes into force on 29 August 2013.

The amendment is one of a set of amendments in relation to new metering arrangements.

The amendment makes a change necessary to reflect that the Electricity Industry Participation (Metering Arrangements) Code Amendment 2011 now comes into force on 29 August 2013, and revokes a subclause that made an amendment to the Electricity Industry Participation Code 2010 that is no longer required.
