14.1 Contents of this Part

This Part provides for-

- (a) the sale and purchase of **electricity** to and from the **clearing manager**; and
- (b) the <u>weekly</u> calculation and invoicing of <u>estimated</u> amounts owing to and by the **clearing manager** for **electricity**, **ancillary services**, **FTRs**, and other payments that may be received or paid <u>each week</u> by the **clearing manager**; and
- (c) the <u>monthly calculation and invoicing of amounts</u> owing to and by the **clearing manager**;
- (d) the settlement of amounts payable under this Part; and
- (\underline{de}) processes and remedies for an **event of default**; and
- (ef) obligations of the **clearing manager** in relation to clearing and settlement, including reporting obligations and requirements for the **operating account** that must be established and held by the **clearing manager**.

Subpart 1—Sale and purchase of electricity

14.2 Sale and purchase of electricity

(1) The clearing manager must—

- (a) purchase **electricity** sold to the **clearing manager** in accordance with clauses 14.[3] to 14.[5]; and
- (b) sell **electricity** purchased from the **clearing manager** in accordance with clause 14.[6].
- (2) Each **generator** must sell **electricity** in accordance with clauses 14.[3] and 14.[4].

- (3) Each **purchaser** must purchase **electricity** in accordance with clause 14.[6].
- (4) Each **participant** who sells or purchases **electricity** through a **local network** or **embedded network** must sell and purchase the **electricity** in accordance with clauses 14.[4], 14.[5], and 14.[7].
- (5) The amount owing for **electricity** purchased under this Part must be determined in accordance with clause 14.[8].

14.3 Sale by generators with point of connection to grid

- (1) This clause applies to each **generator** who has a **generating station** or **generating unit** with a **point of connection** to the **grid**.
- (2) Each generator to whom this clause applies must sell to the clearing manager all electricity generated by the generator's generating station or generating unit injected through a point of connection to the grid.
- 14.4 Sale by generators with point of connection to local network or embedded network
- (1) This clause—
 - (a) applies to each generator who has an embedded generating station; but
 - (b) does not apply to a **generator** in respect of an **embedded generating station** in relation to a **point of connection** for which a notification under clause 15.14 is in force.
- (2) Each generator to whom this clause applies must sell all electricity generated by the embedded generating station and injected through a point of connection with the local network or embedded network to—
 - (a) the **clearing manager**; or
 - (b) a **participant** trading on the **local network** or **embedded network**.
- (3) Despite anything to the contrary in this Code, the relevant **point of connection** to the **grid** is, for the purposes of reconciliation under this Code, deemed to be a **grid injection point**.

14.5 On sale by participants

If an **embedded generator** sells **electricity** to a **participant** under clause 14.[4], the **participant** must at the same time on-sell that **electricity** to the **clearing manager**.

14.6 Purchase of offtake through point of connection to grid Each purchaser must purchase from the clearing manager the electricity allocated to the purchaser under Part 15 in respect of a point of connection to the grid.

- 14.7 Purchase of offtake through local network by embedded generator
- (1) A generator who purchases electricity at the same point of connection with a local network at which it sells electricity in accordance with clause 14.[4] must purchase the electricity from the same participant to whom it sold its electricity under clause 14.[4].
- (2) The **participant** from whom electricity is purchased under subclause (1) must sell the **electricity** as set out in this Code.

Subpart 2—Hedge settlement agreements

14.8 Hedge settlement agreement lodgement

- (1) If a hedge settlement agreement that is signed by 2 participants is submitted to the clearing manager, subject to subclause (2), it is validly lodged when it is signed by the clearing manager.
- (2) A hedge settlement agreement must be in the form set out in Schedule 14.[4], or in an alternative form approved by the Authority.
- (3) When a **participant** lodges a **hedge settlement agreement** with the **clearing manager**, the **participant** must also provide any other information relating to the **hedge settlement agreement** that the **clearing manager** requires.
- (4) A **participant** must provide information under subclause (3) in a form prescribed by the **clearing manager** and notified to **participants**.

14.9 Cancellation of hedge settlement agreement

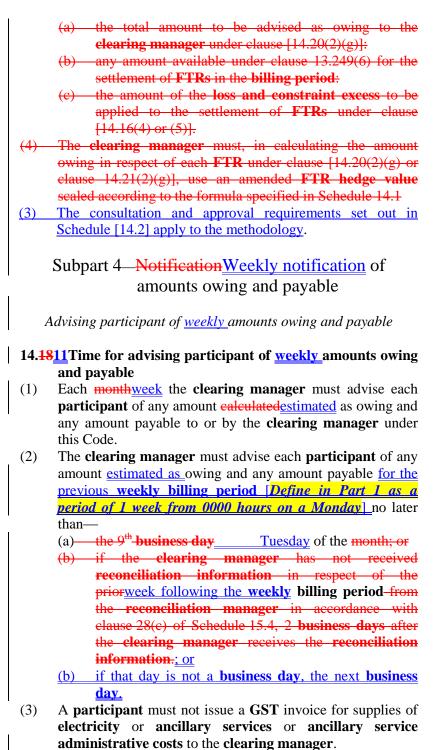

- (1) A party to a **hedge settlement agreement** may only cancel it in the following situations:
 - (a) if neither of the parties to the **hedge settlement agreement** has committed an **event of default** that has not been remedied, in accordance with subclause (2):
 - (b) if a party to the **hedge settlement agreement** has committed an **event of default** that has not been remedied, in accordance with clause 14.[5265].
- (2) A party to a **hedge settlement agreement** may cancel the **hedge settlement agreement** under subclause (1)(a) if—
 - (a) the parties give the **clearing manager** at least 90 days' notice of the cancellation and both parties to the **hedge settlement agreement** agree in writing to the cancellation; or
 - (b) the parties give the clearing manager less than 90 days' notice of the cancellation and the clearing manager agrees to the cancellation in accordance with subclause (3).

(3)	The clearing manager may agree to the cancellation of a
	hedge settlement agreement under subclause (2)(b) only if
	the clearing manager is satisfied that—
	(a) immediately following the cancellation of the hedge
	settlement agreement, each party will—
	(i) continue to meet the requirements in [clause
	14A.4(1)]; or
1	(ii) meet the requirements in [clause 14A.3]; and
I	(b) the cancellation of the hedge settlement agreement is
	not otherwise contrary to the interests of participants
	to whom an amount is payable under this Part.

amount is due to be paid or received, the disputing **participant** must pay or receive the amount in accordance with clauses $14.[\frac{3324}{3}]$ and $14.[\frac{3627}{3}]$.

14.29 Dispute about amount may be referred to Rulings Panel

- (1) If the dispute is not resolved within 15 business days after the date on which the dispute was notified to the clearing manager under clause 14.[27(1)], the disputing participant or the clearing manager may refer the dispute to the Rulings Panel for resolution.
- (2) The **Rulings Panel** may make such determination as it thinks fit.
- (3) The **Rulings Panel** must give notice of its determination to the parties to the dispute and affected **participants**.
- 14.30 Correction of information about amount as result of dispute
- (1) If a dispute (other than a dispute resolved 2 **business days** or more before the disputed amount is due to be paid or received) is resolved by the parties to the dispute agreeing, or the **Rulings Panel** determining, that information used to determine the amount is incorrect, the **clearing manager** and the **reconciliation manager** must correct the information as follows:
 - (a) if the information to be corrected is **volume information**, the information must be corrected in accordance with subclause (2):
 - (b) if the information to be corrected is not volume information—
 - (i) the clearing manager must either correct the information, or advise the appropriate market operation service provider or the Authority so that the information may be corrected; and
 - (ii) if a market operation service provider or the **Authority** corrects the information, the **market operation service provider** or the **Authority**, as the case may be, must provide the corrected information to the **clearing manager**.
- (2) The reconciliation manager must correct volume information as follows:
 - (a) if a revised seasonal adjustment shape must be issued in order for the volume information to be corrected—
 - (i) the reconciliation manager must provide each reconciliation participant whose submission information is required to be corrected with a revised seasonal adjustment shape; and
 - (ii) each reconciliation participant must provide

corrected submission information to the reconciliation manager no later than 4 business days after being provided with the revised seasonal adjustment shape:

- (b) if a revised seasonal adjustment shape is not required to be issued in order for the volume information to be corrected, each reconciliation participant whose submission information is required to be corrected must provide corrected submission information to the reconciliation manager no later than 4 business days after being notified of the resolution of the dispute:
- (c) the reconciliation manager must provide the corrected volume information to the clearing manager.
- (3) If corrected information is provided to the **clearing manager** under [subclauses (1) or (2)], the **clearing manager** must conduct **washups** in accordance with [subpart 6].

Subpart 5—Payments Weekly payments

14.3122 Payment of weekly amounts payable

- (1) If the calculation under clause 14.[2417] provides for a **participant** to pay an amount to the **clearing manager**, the **participant** must pay that amount to the **clearing manager** in accordance with clauses 14.[3324] and 14.[3425].
- (2) If the calculation under clause 14.[2417] provides for the clearing manager to pay an amount to a participant, the clearing manager must pay that amount to the participant in accordance with clause 14.[3627].

14.3223 Prepayment of amounts payable

- (1) A **participant** may elect to pay an amount to the **clearing manager** before the **participant** incurs the amount owing to the **clearing manager**.
- (2) If a **participant** prepays an amount to the **clearing manager** under subclause (1),—
 - (a) the **participant** must advise the **clearing manager** of 1 or more <u>weekly</u> billing periods to which the payment relates; and
 - (b) the **clearing manager** must deduct the amount paid by the **participant** from the amount advised to the **participant** as owing to the **clearing manager** under [subpart 4-].
- (3) Any amount paid to the **clearing manager** under this clause must not be returned to the **participant**, except as provided in subclause (4).

- (4) If an amount prepaid by a **participant** is more than the actual amount payable by the **participant** for the relevant **billing periods**, the **clearing manager** must—
 - (a) apply the amount to the amount payable in the next **billing period**; or
 - (b) if the **participant** requests the **clearing manager** to pay the residual amount to the **participant** and satisfies the **clearing manager** that it will continue to comply with the prudential requirements in Part 14A, pay the residual amount to the **participant** in accordance with clause 14.[3627].
- (5) The **clearing manager** must credit to a **participant** who has prepaid an amount under this clause all interest received by the **clearing manager** on the prepaid amount, less any applicable deduction for tax purposes.

14.3324 Deadlines for weekly payments

- (1) Subject to subclauses (3) and (4), each participant must pay the clearing manager the amount advised to the participant under [subpart 4] as payable by the participant to the clearing manager by—<u>1300 hours on the second business</u>
 <u>day after the day on which the amount payable was advised.</u>
 (a) 1300 hours on the 20th calendar day of the month
 - following the **billing period** in respect of which the amount was advised; or
 - (b) if that day is not a **business day**, 1300 hours on the next **business day**.
- (2) If the **clearing manager** does not advise a **participant** of an amount payable by the time specified in clause 14.[<u>1811(2)</u>], payment may, if the **participant** so elects, be delayed for a period corresponding to the period of delay in advising the **participant** of the amount payable.
- (3) In the case of advice of an amount payable being delayed, the **clearing manager** must advise the **participant** of the new payment date.
- (4) If the **clearing manager** revises an amount advised to the **participant** 2<u>1</u> **business days**<u>day</u> or more before the amount is due to be paid, the **participant** must pay the amount by the date for payment under subclause (1).

14.3425 Methods of payment

- (1) Subject to subclause (2), each **participant** must pay the **clearing manager** in **cleared funds** into the **operating account**.
- (2) A **participant** may instruct the **clearing manager** to pay all or part of an amount payable by the **participant** under clause 14.[33<u>24</u>] from a **cash deposit** held by the **clearing manager** in respect of the **participant** in accordance with

clause 14A.[13].

14.3526 Allocation of payments

- (1) Subject to [subpart <u>811</u>], the allocation by the **clearing manager** of a payment received from a **participant** under this Part must be dealt with in accordance with this clause.
- (2) The **clearing manager** must hold each amount paid into the **operating account** by or on behalf of a **participant** in payment or part payment of an amount payable under [this subpart] upon trust for those persons who are entitled to receive payment from the **clearing manager**.
- (3) A **participant** may not direct the **clearing manager** to apply any funds paid under this Part other than in accordance with this clause.
- (4) The clearing manager must separately account for any amount received under clause 14.[3324] in respect of an amount referred to in clause 14.[2013(2)(ge) and (hf)].

14.36 Payments 27 Weekly payments by clearing manager

- (1) Subject to [subpart <u>811</u>], the clearing manager must pay each participant the amount advised to the participant under [subpart 4] as payable by the clearing manager to the participant by 1600 hours on the final business day for payment under clause 14.[<u>3324</u>].
- (2) The clearing manager must pay each participant in cleared funds.
- (3) A **participant** may instruct the **clearing manager** to treat all or part of an amount payable to the **participant** under this clause as a **cash deposit** under Part 14A.

Subpart <u>69</u>—Washups

14.3853 Clearing manager must conduct washups

If the **clearing manager** receives corrected information in accordance with clauses 8.68, 8.69, 14.[<u>3047]</u>, 15.26(4), 15.29, or clause 28 of Schedule 15.4, it must conduct **washups** and advise **participants** of amounts owing in accordance with this subpart.

14.3954 Clearing manager must advise participants of washup amounts

The **clearing manager** must advise relevant **participants** of amounts owing in respect of **washup** amounts in accordance with [subpart $4\underline{7}$] and clauses $14.[40\underline{55}]$ to $14.[42\underline{57}]$, except that the **clearing manager** must, if requested by a **participant** affected by the **washup**, issue corrected information covered by the **washup** to the **participant**.

14.40<u>55</u>Washup amounts

- (1) All washup amounts and interest accrued in accordance with subclause (2) must be expressed as an amount owing by the participant or an amount owing by the clearing manager to the participant in respect of the current <u>monthly</u> billing period.
- (2) Daily interest (less any deduction for resident withholding tax) on the washup amount, calculated at the bank bill bid rate, accrues from the date that payment of the amount based on the incorrect information to which the washup relates was due as set out in clauses 14.[3349] and 14.[3651] (as applicable) until the date of advice of the revised washup amount in accordance with clause 14.[1836], and must be compounded at the end of each calendar month.

14.4156 Washups for grid owners

- If a **washup** has occurred due to incorrect **consumption information** being used to determine amounts owing in accordance with [subpart 47] that affects **grid owners**, the **clearing manager** must credit or debit a **washup** amount to or from each **grid owner** as follows:
- (a) if a grid owner's washup amount is a credit, the clearing manager must add the credit to any amount owing to that grid owner in accordance with clause 14.[1634(7)] in respect of the current monthly

billing period:

- (b) if a grid owner's washup amount is a debit, the clearing manager must subtract the debit from any amount owing to the grid owner in accordance with clause 14.[1634(7)] in respect of the current monthly billing period:
- (c) if the washup amount is greater than the amount owing, the clearing manager must advise the grid owner of any amount owing for the washup amount concurrently with advising participants of any amount owing under clause 14.[1636], and payment of the washup amount must be made by the grid owner by the time for payment set out in clause 14.[3349]:
- (d) daily interest (less any deduction for resident withholding tax) on the washup amount, calculated at the bank bill bid rate, must be debited or credited (as the case may be) to the amount owing to the grid owner in accordance with clause 14.[1634(7)], and accrues from the date that payment based on the incorrect information to which the washup relates was made until the date of advice in accordance with clause 14.[1836] resulting in the grid owner's washup amount, and must be compounded at the end of each calendar month.

14.4257 Payment where no longer participant

- (1) Despite clauses 14.[4055] and 14.[4156], if a washup amount affects a person who is no longer a **participant**, the **clearing manager** must advise the person of the **washup** amount owing and payable in accordance with clauses 14.[3349] and 14.[3450].
- (2) The person remains liable for outstanding obligations in accordance with section 30(3) of the **Act**.
- (3) Daily interest (less any deduction for resident withholding tax) on the washup amount, calculated at the bank bill bid rate, must be added to the washup amount and accrues from the date that payment of the amount based on the incorrect information to which the washup relates was due as set out in 14.[3349] and 14.[3651] (as applicable) until the date of advice of the revised washup amount in accordance with clause 14.[1836], and must be compounded at the end of each calendar month.

Subpart 710—Events of default

Types of default

14.4358 Definition of an event of default

Each of the following events constitutes an event of default:

- (a) failure of a **participant** to provide security for the minimum amount required in accordance with clause [14A.6]:
- (b) a settlement default [*To be defined in Part 1 as failure of a participant to pay the full amount payable in accordance with Part 14*]:
- (c) any action taken for, or with a view to, the declaration of a participant who is required to comply with Part 14A as a corporation at risk under the Corporations (Investigation and Management) Act 1989:
- (d) appointment of a statutory manager in respect of participant who is required to comply with Part 14A under the Corporations (Investigation and Management) Act 1989 (or a recommendation or submission is made by a person to the Financial Markets Authority supporting such an appointment):
- (e) appointment of a person under section 19 of the Corporations (Investigation and Management) Act 1989 to investigate the affairs or run the **business** of a **participant** who is required to comply with Part 14A:
- (f) if a **participant** who is required to comply with Part 14A is (or admits that it is or is deemed under any applicable law to be) unable to pay its debts as they fall due or is otherwise insolvent, or stops or suspends, or threatens to stop or suspend, or a moratorium is declared on, payment of its indebtedness, or makes or commences negotiations or takes any other steps with a view to making any assignment or composition with, or for the benefit of, its creditors, or any other arrangement for the rescheduling of its indebtedness or otherwise with a view to avoiding, or in expectation of its inability to pay, its debts:
- (g) a holder of a security interest or other encumbrancer taking possession of, or a receiver, manager, receiver and manager, liquidator, provisional liquidator, trustee, statutory or official manager or inspector, administrator or similar officer being appointed in respect of the whole or any part of the assets of a **participant** who is required to comply with Part 14A or if the **participant** requests that such an appointment be made.

Note – the proposed retailer default Code amendments

include a new event of default relating to termination of a retailer's use of system agreement]

Procedure for event of default

14.44<u>59</u>Anticipated events of default must be referred to Authority

If the **clearing manager** believes that an **event of default** is likely to occur, the **clearing manager** must refer the matter to the **Authority** for its urgent consideration and instruction of an appropriate course of action to minimise the risk of default occurring.

14.45<u>60</u>Procedure upon event of default

- (1) If a **participant** commits an **event of default**, the **participant** must immediately advise the **clearing manager** and the **Authority** of the **event of default**.
- (2) If the **clearing manager** becomes aware that a **participant** has committed an **event of default** and the **participant** has not advised the **clearing manager** of the **event of default**, the **clearing manager** must advise the person in default that it has committed an **event of default**.
- (3) The clearing manager must refer an issue concerning an event of default to the Authority.

Remedies and rights of recovery

14.4661 Event of default gives clearing manager remedies

- (1) If an **event of default** has occurred, the **clearing manager** has the power to exercise, as appropriate, all or any of the following remedies without prejudice to any other remedy it may have at law:
 - (a) apply the balance of the **cash deposit** of the defaulting **participant** in accordance with clauses 14A.[13(a)] and 14A.[13(b)]:
 - (b) make a demand under a guarantee, letter of credit, or bond provided under Part 14A in respect of the defaulting **participant**:
 - (c) if the defaulting **participant** has not paid an amount due under this Part by the due date for payment, setoff any amount payable by the **clearing manager** to the **participant** against the unpaid amount payable by the **participant** to the **clearing manager**:
 - (d) take possession of any **FTR** held by the defaulting **participant** in accordance with clause 14.[4964].
- (2) If an **event of default** is not remedied by the expiry of the **participant's** post-default exit period registered under clause

14A.[22], 22], [Note – the meaning of the 'post-default exit period' may need to be aligned with any changes in the retailer default Code amendments]

- (a) the **clearing manager** must cancel a **hedge settlement agreement** to which the defaulting **participant** is a party in accordance with clause 14.[5065]:
- (b) the Authority may direct a grid owner or distributor to exercise any contractual right the grid owner or distributor has to disconnect a defaulting participant who is a direct purchaser in accordance with clause 14.[5166].

14.47<u>62</u>Remedies for settlement default

- (1) If <u>a</u> the clearing manager elects to exercise any of the remedies specified in clause 14.[4661] in the event of a settlement default, the clearing manager must exercise the remedies in the following order:
 - (a) apply the balance of the **cash deposit** of the defaulting **participant**:
 - (b) if the amount applied under paragraph (a) is not sufficient to remedy the default, make a demand under a guarantee, letter of credit, or bond provided under Part 14A in respect of the defaulting **participant** that can be satisfied by 1500 hours on the final day for payment under clause 14.[3324] or 14.[49]:
 - (c) if the amounts applied under paragraphs (a) and (b) are not sufficient to remedy the default, set-off the amount payable by the defaulting **participant** to the **clearing manager** against any amount that is payable by the **clearing manager** to the defaulting **participant** in respect of the current **billing period** or any other prior **billing period**:
 - (d) if the amounts applied under paragraphs (a) to (c) are not sufficient to remedy the default,—
 - (i) make a demand under any other guarantee, letter of credit, or bond provided under Part 14A in respect of the defaulting **participant**:
 - (ii) take possession of any **FTR** held by the defaulting **participant** in accordance with clause 14.[49<u>64</u>].
- (2) If, after exercising the remedies specified in subclause (1), there is any residual amount payable by the **clearing manager** to the **participant**, that amount must be credited to the balance of the defaulting **participant's cash deposit**.

14.4863 Remedies for other types of default

If a participant commits any event of default other than a

settlement default, the **clearing manager** must exercise all or any of the remedies specified in clause 14.[4661] to ensure that it has sufficient funds for the next settlement date.

14.4964 Application to take possession of FTR

- (1) The **clearing manager** on application to the **FTR manager** is entitled to be registered on the **FTR register** as the holder of any **FTR** that the **clearing manager** takes possession of under clause $14.[46\underline{61}(1)(d)]$ without any further authorisation than this subclause.
- (2) If the **FTR hedge values** or estimated **FTR hedge values** of the **FTRs** held by the defaulting **participant** exceed the amount required to remedy the **event of default**, the **clearing manager** may exercise its discretion in deciding which **FTRs** are transferred to the **clearing manager**.
- (3) If the amount received by the **clearing manager** on settlement or sale of an **FTR** taken possession of under clause 14.[4661(1)(d)] exceeds the amount required to remedy the **event of default**, the **clearing manager** must repay the excess amount to the defaulting **participant**.
- (4) If the **clearing manager** holds an **FTR** in respect of which an amount would be owing if the **FTR** was held by another person, no amount is owing by the **clearing manager**.
- 14.5065 Cancellation of hedge settlement agreement in event of default
- (1) If the defaulting **participant** is a party to a **hedge settlement agreement** and the **event of default** is not remedied at the expiry of the **participant's** post-default exit period registered under clause 14A.[22], the **clearing manager** must cancel the **hedge settlement agreement**.
- (2) The clearing manager must give written notice to the parties to the hedge settlement agreement if a hedge settlement agreement is cancelled under this clause.

14.5166Disconnection of direct purchaser

- (1) Each **direct purchaser** must at all times ensure that the terms of each of its contracts that provide for <u>the</u> connection of the **direct purchaser** to the **grid** or a **local network** permit the relevant **grid owner** or **distributor** to disconnect the **direct purchaser** on the direction of the **Authority** if the **direct purchaser** has committed an **event of default** and has not remedied the default by the expiry of its post-default exit period registered under clause 14A.[22].
- (2) Each **grid owner** or **distributor** must at all times ensure that the terms of each <u>of</u> its contracts that provide for the connection of a **direct purchaser** to the **grid** or a **local**

network permit the **grid owner** or **distributor** to disconnect the **direct purchaser** on the direction of the **Authority** if the **direct purchaser** has committed an **event of default** and has not remedied the default by the expiry of its post-default exit period registered under clause 14A.[22].

- (3) If a **direct purchaser** has committed an **event of default** and has not remedied the default by the expiry of its postdefault exit period registered under clause 14A.[22], the **Authority** may direct a **grid owner** or **distributor** to exercise any contractual right the **grid owner** or **distributor** has to disconnect the defaulting **direct purchaser**.
 - (4) A grid owner or distributor who receives a direction under subclause (2) must comply with the direction.

14.52<u>67</u>Clearing manager to exercise rights to recover amounts outstanding

The **clearing manager** must exercise such rights, including those rights under the **Act** and this Code, as is reasonable to recover any amounts outstanding from a **participant** who is in default.

14.5368 Participants assigned or subrogated to all clearing manager's rights of recovery

- (1) If a participant's default means that the clearing manager is unable to pay participants the full outstanding amount that would otherwise be payable to them so that any amount paid to participants is reduced under [subpart <u>811</u>], the participants are entitled to be assigned or subrogated to the rights of the clearing manager in respect of amounts payable to the clearing manager by the relevant defaulting participant which, if paid, would have been required to be held on trust by the clearing manager for the participants in accordance with this Code.
- (2) The **clearing manager** must do all that is reasonably necessary, including the granting of a power of attorney in favour of the **participants**, to assist the **participants** in the exercise of the rights.
- (3) The participants may—
 - (a) in the name of the clearing manager (if requested), take any step to enforce repayment or exercise any other rights of the clearing manager in respect of money for the time being due to the clearing manager from a participant in default or a guarantor of any participant or any person that has provided a letter of credit or bond in favour of the clearing manager in respect of the participant; and
 - (b) directly or indirectly, in the name of the **clearing manager** (if requested), prove in, claim, share in or

receive the benefit of any distribution, dividend or payment arising out of any insolvency of a **participant** in default or a guarantor of a **participant** in default or any person that has provided a letter of credit or bond in favour of the **clearing manager** in respect of a **participant** in default.

14.5469 Rights of participants to exercise rights

- Any 1 or more participants is entitled to exercise rights under clause 14.[5368], if—
 - (a) the **clearing manager** has not, within 3 **business days** of receiving notice of, or otherwise becoming aware of, the occurrence of an **event of default**, taken any action under clauses 14.[4661] to 14.[4863]; or
 - (b) the **clearing manager** has failed within 2 months of an **event of default** to collect all amounts due from the defaulting **participant**.
- (2) Nothing in subclause (1) or [this subpart] limits the statutory right of the **clearing manager** to apply to the Court for the appointment of a receiver, interim liquidator, or liquidator.

Publication of information about event of default

- 14.5570 Authority may publicise information about event of default
- (1) The **Authority** may **publicise** information about an **event of default** if the **Authority** considers it is appropriate.
- (2) If an **event of default** results in a reduction in payments under subpart <u>811</u>, the **Authority** must **publicise** information about the following:
 - (a) the nature of the **event of default**:
 - (b) the extent of the **event of default**:
 - (c) the identity of the defaulting **participant**.

Subpart <u>811</u>—Payments in event of settlement default

14.<u>5671</u>Application of this subpart

- (1) This subpart applies if—
 - (a) a **participant** commits a **settlement default**; and
 - (b) the amount received from the defaulting **participant** and recovered or set-off under clause 14.[47<u>61</u>] by 1500 hours on the final day for payment under clause 14.[33<u>24</u>] or <u>14.[49</u>] is less than the amount payable by the **participant** [and any amount required to cover **GST** obligations].

- (2) In this subpart a reference to 1 or more general amounts is a reference to any amount that is not required to be applied to the settlement of **FTRs** or paid to the **grid owner** as **residual loss and constraint excess**.
- 14.57<u>72</u> Allocation of amounts received to settlement of general amounts and FTRs
 - (1) The **clearing manager** must apply any amount received from the defaulting **participant** and recovered under clause 14.[47<u>61</u>] to the settlement of general amounts and **FTRs** in accordance with this clause.
 - (2) The amount that must be applied to the settlement of general amounts is the total amount received from the **participant** and recovered under clause 14.[47<u>61</u>], less the amount that must be applied to the settlement of **FTRs** in accordance with subclause (3).
 - (3) The amount that must be applied to the settlement of **FTRs** is determined in accordance with the following formula:

$$C_{FTR} = C_{TOT} x (O_{FTR}/O_{TOT})$$

where

- C_{FTR} is the amount that must be applied to the settlement of **FTRs**
- C_{TOT} is the total amount received from the **participant** and recovered under clause 14.[47<u>61</u>]
- O_{FTR} is the total amount owing in respect of **FTRs** held by the defaulting **participant** as specified under clause 14.[$\frac{20(2)(g)}{2}$ and (h13(2)(e) and (f)] or 14.[38(2)(a)] in respect of matters specified in clause 14.[13(2)(e) and (f)]
- O_{TOT} is the total amount owing by the defaulting **participant** as specified under clause 14.[2013(3)] or 14.[38(3)]
- (4) If the total amount owing by the **participant** as specified under clause 14.[2013(3)] or 14.[38(3)] includes an amount owing in respect of the assignment of any **FTR** under clause 14.[20(2)(h)]13.249(4) that relates to a future **billing period** or **billing periods**, a portion of the amount that must be applied to the settlement of **FTRs** under subclause (3) must be allocated to each future **billing period** in accordance with the following formula:

 $F_{\text{FTR}} = C_{\text{FTR}} \times (O_{\text{FTR (future)}} / O_{\text{FTR}})$

where

- F_{FTR} is the amount that must be applied to the settlement of **FTRs** in the future **billing period**
- C_{FTR} is the amount that must be applied to the settlement of **FTRs**, calculated under subclause (1)
- $O_{FTR (future)}$ is the amount owing in respect of the assignment of an **FTR** under clause 14.[2013(2)(hf)] or 14.[38(2)(a)] in respect of a matter specified in clause 14.[13(2)(f)] that relates to the future **billing period**
- O_{FTR} is the total amount owing in respect of **FTRs** held by the defaulting **participant** as specified under <u>clause 14.[20(2)(g) and (h14.[13(2)(e) and (f)] or</u> 14.[38(2)(a)] in respect of matters specified in clause 14.[13(2)(e) and (f)]
- 14.<u>5873</u>Calculation of revised amount owing for general amounts
- (1) Any amount owing by the **clearing manager** to the defaulting **participant** must be set to the sum of the following amounts:
 - (a) the amount owing by the **clearing manager** to the defaulting **participant** minus the amount owing by the defaulting **participant** to the **clearing manager**, if that amount is positive:
 - (b) any amount payable by the **clearing manager** to the **participant** that has not been set-off against the unpaid amount payable by the **participant** to the **clearing manager**.
- (2) If the amount calculated under subclause (1)(a) is a negative amount, the amount must be set to 0.
- (3) The **clearing manager** must apply any amount available for the settlement of general amounts in accordance with the following order of priority:
 - (a) to satisfy any liability to pay GST and other governmental charges or levies, that are payable by the clearing manager in respect of the amounts owing and payable under [subparts 4 and 65 or <u>subparts 7 and 8</u>], taking into account any GST input tax credits available to the clearing manager in respect of payments under paragraphs (b) to (e):
 - (b) to satisfy any amount owing to the **system operator**

for **ancillary services** under clauses 8.6, 8.31(1)(a), and 8.55 to 8.67:

- (c) to satisfy any amount of the loss and constraint excess to be applied to the settlement of FTRs under clause 14.[1634(4) or (5)]:
- (d) to satisfy any amount owing to each **grid owner** for any **loss and constraint excess** in accordance with clause 14.[1634(7)(a)]:
- (e) to satisfy any other general amount owing to a **participant**.
- (4) If there is an insufficient amount available for the settlement of general amounts, the **clearing manager** must calculate the revised amounts owing by the **clearing manager** to **participants** in respect of general amounts as follows:
 - (a) first apply the full amount available to satisfy each amount owing in the order of priorities in subclause (3):
 - (b) if there is an insufficient amount to satisfy the full amount owing under any of paragraphs (a) to (e) of subclause (3), calculate the revised amount owing to each **participant** under that paragraph according to the following formula:

 $AO_{CM (revised)} = AO_{CM (general)} x (A_{General}/G_{Required})$

where

- AO_{CM (revised}) is the revised amount owing by the **clearing manager** to the **participant** in respect of the general amounts
- AO_{CM (general)} is the amount owing by the **clearing manager** to the **participant** in respect of that **billing period** under the relevant paragraph in subclause (3)
- A_{General} is the total amount available for the settlement of amounts owing by the **clearing manager** in the relevant **billing period** under the relevant paragraph in subclause (3)
- G_{Required} is the sum of all amounts required to settle those amounts in respect of the **billing period**

14.<u>59-74</u> Calculation of revised amount owing for FTR amounts

- (1) Any amount owing by the **clearing manager** to the defaulting **participant** in respect of **FTRs** must be set to the sum of the following amounts:
 - (a) the amount owing by the **clearing manager** to the defaulting **participant** in respect of **FTRs** minus the amount owing by the defaulting **participant** to the **clearing manager** in respect of **FTRs**, if that amount is positive:
 - (b) any amount payable by the **clearing manager** to the **participant** that has not been set-off against the unpaid amount payable by the **participant** to the **clearing manager**.
- (2) If the amount calculated under subclause (1)(a) is a negative amount, the amount must be set to 0.
- (3) The **clearing manager** must apply any amount available for the settlement of **FTRs** in accordance with the following order of priority:
 - (a) to satisfy any amount owing to a **participant** in respect of **FTRs**:
 - (b) to satisfy any amount owing to each grid owner for any residual loss and constraint excess under clause 14.[1634(7)(b)].
- (4) If there is an insufficient amount available for the settlement of **FTRs**, the **clearing manager** must calculate the revised amount owing in respect of **FTRs** as follows:
 - (a) first apply the amount available for the settlement of **FTRs** in the relevant **billing period** to satisfy each amount owing to a **participant** in respect of an **FTR**:
 - (b) if there is an amount remaining for the settlement of FTRs in the relevant billing period after the clearing manager has satisfied each amount owing to a participant in respect of an FTR, the clearing manager must allocate that amount to each grid owner under clause 14.[1634(7)(b)]:
 - (c) if there is an insufficient amount to satisfy each amount owing under paragraph (a), the **clearing manager** must adjust each amount owing to a **participant** in respect of an **FTR** according to the following formula:

$$AO_{CM (revised)} = AO_{CM (FTRs)} \times (C_{FTR}/FTR_{Required})$$

where

AO_{CM (revised)} is the revised amount owing by the **clearing manager** to the **participant** in respect of **FTRs**

- AO_{CM (FTRs)} the amount advised the is to participant under clause 14.[2114] or 14.[39] as being owing to the participant in respect of that billing period in respect of an amount specified in clause $14.[\frac{2114}{2})(\frac{1}{2})$ or (he) or (f)] or 14.[39(2)(a)] in respect of matters specified in clause 14.[14(2)(e) <u>or (f)</u>]
 - C_{FTR} is the total amount available for the settlement of **FTRs** in the relevant **billing period**
 - $FTR_{Required} \qquad is the sum of all amounts required to settle$ **FTRs**in respect of the**billingperiod**
- 14.6075 Excess amount available for settlement of general amounts or FTRs
- (1) If, after revising the amounts owing under clauses 14.[5873] and 14.[5974], there is an excess amount available for the settlement of FTRs, the clearing manager must undertake the process set out in clause 14.[5873] again using a revised amount available for the settlement of the general amounts that includes the excess amount for the settlement of FTRs.
- (2) If, after revising the amounts owing under clauses 14.[5873] and 14.[5974], there is an excess amount available for the settlement of general amounts, the clearing manager must undertake the process set out in clause 14.[5974] again using a revised amount available for the settlement of FTRs that includes the excess amount for the settlement of general amounts.

14.6176 Calculation of interim and revised amount payable

(1) The **clearing manager** must calculate an interim amount payable to each **participant** to whom an amount is payable by the **clearing manager** under [subpart 5 <u>or subpart 8]</u> in accordance with the following formula:

> $AP_{interim} =$ For any non-defaulting participant: $AO_{CM (revised)} - AO_P + P$

> > For any defaulting participant: $AO_{CM (revised)}$

where

	AP _{interim}	is the interim amount payable to the participant
	AO _{CM (revised}	$_{d}$ is the sum of the revised amounts owing by the clearing manager to the participant , calculated under clauses 14.[5873] and 14.[5974]
	AO _P	is the sum of the amounts owing by the participant to the clearing manager , calculated under clause $14.[2013]$ or clause $14.[38]$
	Р	is any amount paid by the participant under clause clauses 14.[3324] or 14.[49] and, in the case of a defaulting participant , any amount recovered under clause 14.[$4762(1)(a)$ or (b)]
(2)	If the application of the formula in subclause (1) results in an interim amount payable that is positive or 0 for every participant to whom an amount is payable by the clearing manager , the interim amount payable is the revised amount payable by the clearing manager under clause 14.[62 <u>77</u>]. If the application of the formula in subclause (1) results in an interim amount payable that is negative for 1 or more	
	participants to whom an amount is payable by the clearing manager , the clearing manager must calculate the revised amount payable by the clearing manager under clause 14.[6277] as follows:	
	(a) for e form paya	each participant for whom the application of the nula in subclause (1) results in an interim amount ble that is negative, set the revised amount ble for the participant to 0:
	(b) for e form paya paya	each participant for whom the application of the nula in subclause (1) results in an interim amount ble that is positive, calculate the revised amount ble to the participant in accordance with the owing formula:
	AP _{re}	$v_{vised} = AP_{interim} + AO_{negative} - (AO_{CM (revised)} / AO_{positive})$
	when	re
	AP _{re}	vised is the revised amount payable to the participant

- AP_{interim} is the interim amount payable to the **participant**, calculated under subclause (1)
- AO_{negative} is the sum of all revised amounts owing by the **clearing manager** to a **participant** for every **participant** for whom the application of the formula in subclause (1) results in an interim amount payable that is negative
- AO_{CM (revised)} is the sum of the revised amounts owing by the **clearing manager** to the **participant**, calculated under clauses 14.[5873] and 14.[5974]
- AO_{positive} is the sum of all revised amounts owing by the **clearing manager** to a **participant** for every **participant** for whom the application of the formula in subclause (1) results in an interim amount payable that is positive
- (4) If the application of the formula in subclause (3)(b) results in a **participant** having a revised amount payable that is negative, the **clearing manager** must recalculate the revised amount payable for each **participant** under subclause (3) using the revised amount payable to the **participant** as the interim amount payable to the **participant**.

14.6277 Payment of revised amount payable

The **clearing manager** must pay each **participant** the revised amount payable in accordance with clause 14.[36<u>27</u>] as if references to the amount payable were references to the revised amount payable.

14.63<u>78</u>Payment by participant with negative interim amount payable

- If the application of the formula in clause 14.[6176(1)] results in an interim amount payable for a participant that is negative, the participant must pay an amount that is equal to the absolute value [To be defined in Part 1] of the interim amount payable in accordance with this clause.
- (2) The **clearing manager** must advise the **participant** of the amount payable.
- (3) If the clearing manager holds a cash deposit for the participant, the clearing manager must apply such amount of the participant's cash deposit as is available in order to

satisfy the amount payable by the **participant** under this clause. [This subclause and subclause (4) are to be reconsidered in light of discussion at the 18 April SPSTG meeting]

- (4) If the clearing manager does not hold a cash deposit for the participant or the amount of the cash deposit is not sufficient to satisfy the amount payable by the participant under this clause, the participant must pay that amount to the clearing manager by 1300 hours on the next business day after the day on which the clearing manager advises the participant of the amount.
- (5) Clause $14.[\frac{3425}{2}]$ applies to a payment under this clause.
 - (6) If the **clearing manager** receives further funds from the defaulting **participant**, the **clearing manager** may revise or cancel the amount payable under this clause to reflect the need for the amount payable.
- 14.64<u>79</u>Application of payment by participant with negative interim amount payable
- (1) The **clearing manager** must allocate the funds received under clause $14.[\underline{6378}]$ to each **participant** for whom the application of the formula in clause $14.[\underline{6476}(1)]$ results in an interim amount payable that is positive.
- (2) The amount allocated to each **participant** under this clause is the difference between the interim amount payable and revised amount payable for the **participant**.
- (3) The **clearing manager** must pay each **participant** the amount allocated under this clause.
- (4) If there are insufficient funds to pay each **participant** the amount allocated under this clause, the **clearing manager** must adjust the amount payable for each **participant** based on the proportion that the amount payable to the **participant** bears to the total amount payable to all **participants** under this clause.

14.6580 Further funds paid according to priority

- (1) As further funds are received or recovered from the defaulting **participant** by the **clearing manager**, those funds must be allocated to the settlement of general amounts and **FTRs** and paid in accordance with [this subpart] as if—
 - (a) the further funds had been paid by the defaulting participant on the final day for payment under clause 14.[3324] or 14.[49]; but
 - (b) with the amount already paid to a **participant** under this subpart deducted from the amount calculated as payable to the **participant**.
- (2) If funds received or recovered by the **clearing manager** are identifiable as relating to a specific <u>weekly</u> billing period in

- the same monthly billing period in which it is received, the clearing manager must apply those funds in satisfaction or part satisfaction of amounts payable by the clearing manager in respect of that billing period.
- (3(3) If funds received or recovered by the **clearing manager** are identifiable as relating to a specific **monthly billing period**, the **clearing manager** must apply those funds in satisfaction or part satisfaction of amounts payable by the **clearing manager** in respect of that **billing period**.
- (4) If it is not clear to which **billing period** the funds relate, the funds must be applied in satisfaction or part satisfaction of amounts payable by the **clearing manager** in respect of the earliest **billing period** in respect of which amounts are outstanding to the extent that full payment has not been received by the relevant **participants** in respect of that **billing period**.

14.6681 Interest payable to participants

- (1) If a **participant** does not receive the full amount payable under [this Part], the **clearing manager** is liable to pay interest on the unpaid amount.
- (2) The interest must be calculated daily from the date payment would otherwise have been due, at the **default interest rate**, until the date that payment is actually made by the **clearing manager** to the **participant** and compounded at the end of each calendar month.
- (3) If a **participant** has not paid any amount payable under [this Part] after the due date for payment, the **participant** must pay interest on the unpaid amount.
- (4) The interest must be calculated daily from the date on which the payment was due, at the **default interest rate**, until the date that full payment is received in **cleared funds** and compounded at the end of each calendar month.

14.6782Participant to remain in default

Despite anything else in this Code, the application of money under [this Part] that does not satisfy the full amount payable by a **participant** does not—

- (a) satisfy the obligation of the **participant** to pay the full amount payable together with the interest due on that amount to the **clearing manager** or to a **participant** acting in accordance with clause 14.[5368]; or
- (b) prejudice any remedy available to the **clearing manager** in an **event of default** or to a **participant** under clause 14.[5368].

Subpart <u>912</u>—Administrative obligations of clearing

manager

Clearing manager operating account

14.6883 Clearing manager must establish operating account

- (1) The clearing manager must establish, in its name, an operating account with a bank.
- (2) The operating account must—
 - (a) be held by the **clearing manager** as a trust account for the benefit of the persons who are entitled to receive payment from the **clearing manager** under this Part; and
 - (b) be clearly identified as such; and
 - (c) subject to this Code, be entirely separate from the **cash deposit accounts** and any other account of the **clearing manager**.
- (3) The **clearing manager** must obtain an acknowledgement from the **bank** with which the **operating account** is held that—
 - (a) the funds in that account are held on trust for the purposes set out in <u>clauseclauses</u> 14.[<u>3526]</u> and <u>14.[50]</u>; and
 - (b) the **bank** has no right of set-off or combination in relation to the funds.

14.6984 Payment by clearing manager

- (1) Each payment required to be made by the **clearing manager** to the person entitled to the payment must be made by direct payment to the **bank** account that the person entitled to the payment may advise the **clearing manager** in writing from time to time.
- (2) Except as expressly permitted by this Code or as required by law, all payments by the **clearing manager** under this Part must be free and clear of any withholding or deduction and without any set-off or counter claim.

Reporting obligations of the clearing manager

14.7085 Monthly divergence reports to be prepared by clearing manager

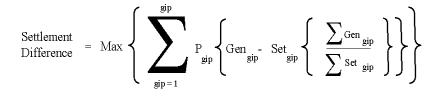

- (1) The clearing manager must report to the market administrator in writing under this clause.
- (2) The clearing manager must give the report to the market administrator—
 - (a) on the 10th **business day** of each calendar month; or
 - (b) if exceptional circumstances prevent the **clearing manager** from providing the report by that day, as soon as reasonably practicable after that day.

- (3) The report must include—
 - (a) information on any situations where the **clearing manager** believes, on reasonable grounds, that the **clearing manager**, or another **participant**, has breached this Code in the previous calendar month; and
 - (b) the date and time at which each alleged breach took place; and
 - (c) the nature of each alleged breach, including—
 - (i) details of the person alleged to be in breach; and
 - (ii) any **participants** believed to be affected by the alleged breach; and
 - (iii) in the case of a delay in advising a participant of an amount owing under clause 14.[4836] the part of the process that was delayed; and
 - (d) the reason for the alleged breach occurring if the **clearing manager** is aware of the reason; and
 - (e) situations in which information about an amount owing was or will be issued late and whether or not the delay was caused by the **clearing manager**.
- 14.71<u>86</u>Market administrator must publish clearing manager reports
- (1) By the 15th business day of each calendar month, the market administrator must publish the sections of the report, received in the previous calendar month from the clearing manager in accordance with clause 14.[7085], that relate to any breaches of this Code by the clearing manager.
- (2) By the 15th **business day** of each calendar month the **market administrator** must also refer the report received in the previous calendar month to the **Authority**.
- 14.7287 Right to information concerning clearing manager's action
- (1) A **participant** may, by notice in writing to the **clearing manager**, request further information related to a situation set out in a **clearing manager's** report **published** under clause 14.[7186] that has materially affected that person.
- (2) The **clearing manager** must provide the requested information to that person, but the information provided must not include any information that is confidential in respect of any other person.

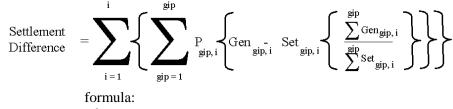

14.7388Clearing manager to publish block dispatch settlement differences

(1) By 0900 hours on the 2nd **business day** after the **clearing manager** has advised **participants** of amounts owing under clause 14.[1836], the **clearing manager** must **publish** the following information for **participants** on the **information** system:

(a) the maximum block dispatch settlement difference for each block dispatch group for the previous monthly billing period as determined by the following formula:

(b) the total block dispatch settlement differences for each block dispatch group for the previous <u>monthly</u> billing period as determined by the following

where

 $P_{gip} \qquad \mbox{is the final price at the relevant grid} \\ \mbox{injection point for the generating plant or} \\ \mbox{generating unit that forms part of the} \\ \mbox{block dispatch group for the relevant} \\ \mbox{trading period of the } \\ \mbox{monthly} \\ \mbox{billing} \\ \mbox{period} \\ \mbox{generating period} \\ \mbox{for the relevant} \\ \mbox{for th$

- Gen_{gip} is the final quantity of electricity sold by that generator to the clearing manager at the relevant grid injection point for the generating plant or generating unit that forms part of the block dispatch group, obtained from the reconciliation information for the relevant trading period of the monthly billing period
- Set_{gip} is the generation quantity at the **relevant** grid injection point for the generating plant or generating unit that forms part of the block dispatch group for the relevant trading period of the <u>monthly</u> billing period

- P_{gip,i} is the **final price** at the relevant **grid injection point** for the **generating plant** or **generating unit** that forms part of the **block dispatch group** for the relevant **trading period** of the <u>monthly</u> **billing period**
- Gen_{gip,i} is the final quantity of **electricity** sold by that **generator** to the **clearing manager** at the relevant **grid injection point** for the **generating plant** and **generating units** that form part of the **block dispatch group**, obtained from the **reconciliation information** for the relevant **trading period** of the <u>monthly</u> **billing period**
- Set_{gip,i} is the generation quantity at the relevant **grid injection point** for the **generating plant** and **generating units** that form part of the **block dispatch group** for the relevant **trading period** of the **monthly billing period**.
- (2) For the purposes of this clause "generation quantity" means the time-weighted average quantity of **electricity** for that **generating plant** or **generating unit** for the relevant **trading period**, taking into account—
 - (a) the quantity in **MW** provided to the **clearing manager** by the **system operator** in accordance with clauses 13.76 to 13.80; and
 - (b) the ramp rate applying to the relevant **trading period** that is specified in the **offer** submitted by that **generator**.

14.74<u>89</u>Clearing manager to publish block dispatch settlement differences later if information system is unavailable

- (1) If the **information system** is unavailable to **publish** the information set out in clause 14.[7388] in accordance with that clause, the **clearing manager** is not obliged to follow any backup procedures in respect of **publishing** the information.
- (2) The **clearing manager** must **publish** the information as soon as reasonably possible on the **information system** after the **information system** becomes available.

14.7590 Clause 14.[7388] applies to block dispatch groups only

The calculation of the block dispatch settlement differences under clause 14.[7388] must be completed on a **block**

dispatch group basis, even if a **block dispatch group** has been divided into **sub-block dispatch groups** during one or more **trading periods** of the relevant <u>monthly</u> **billing period.**

14.76<u>91</u>No washup calculation under clause 14.[7388] if revised reconciliation information is received

Following the calculation and **publication** of the information relating to block dispatch settlement differences in a **monthly billing period** under clause 14.[7388], the **clearing manager** is not required to recalculate any block dispatch settlement differences as a result of subsequently receiving revised **reconciliation information**.

Notices

14.77<u>92</u> Notices

- (1) Except as expressly provided in this Code, a notice or demand given or required to be given under this Part may be given by being delivered or transmitted to the intended recipient at its address or electronic address as last advised in writing to the sender and may be posted to such address by prepaid post.
- (2) Subject to subclause (3),—
 - (a) a notice or demand delivered by hand is deemed to be delivered on the date of such delivery; and
 - (b) a notice or demand delivered by post is deemed to be delivered on the 2nd business day following the date of posting; and
 - (c) a notice or demand transmitted through the **information system** is deemed to be delivered on the date it was transmitted.
- (3) Any notice or demand delivered, or deemed to be delivered, on a day that is not a **business day**, or after 1600 hours on a **business day**, is deemed to have been delivered on the next **business day**.

Schedule 14.1 Formula for scaling amount owing in respect of FTRs

1 Purpose of this Schedule

The purpose of this Schedule is to set out the formula for scaling the amount owing in respect of **FTRs** if clause 14.[1735(4)] applies.

2 Formula

I

(1) The formula for scaling the **FTR hedge value** under clause 14.[1735(4)] is as follows:

$$HV_{Scaled} = HV \times (C/D)$$

where

 HV_{Scaled} is the scaled **FTR hedge value**

- HV is the original **FTR hedge value** that would be owing if this subclause did not apply
- C is the amount calculated in accordance with the formula in subclause (2)
- D is the amount calculated in accordance with the formula in subclause (3)
- (2) The value for C in the formula in subclause (1) is as follows:

 $C = LCE_{FTR} + AC_P + A_P - AC_{CM} - A_{CM}$

where

LCE _{FTR}	is the amount of the loss and constraint excess to be applied to the settlement of FTRs under clause $14.[\underline{1634}(4) \text{ or } (5)]$
AC _P	is the sum of any FTR acquisition costs owing to the clearing manager
A_P	is the sum of any amounts owing to the

clearing manager under clause 13.249(4)

	AC _{CM}	is the sum of any FTR acquisition costs owing by the clearing manager
	A _{CM}	is the sum of any amounts owing by the clearing manager under clause 13.249(7)
(3)	The value for D in the formula in subclause (1) is as follows:	

 $D = HV_{CM} - HV_{P}$

where

l

- $HV_{CM_{=}}$ is the sum of any **FTR hedge values** owing by the **clearing manager**
- $HV_{P}\;\;$ is the sum of any FTR hedge values owing to the clearing manager

Schedule 14.2 Consultation and approval requirements for methodologies

1 Purpose of this Schedule

This Schedule sets out the consultation and approval requirements that apply to the following methodologies formulated and **published** by the **clearing manager**:

- (a) the methodology for determining <u>estimated amounts</u> owing under clause 14.[10]:
- (b) the methodologies for determining the weekly prudential risk management amount <u>and monthly</u> <u>prudential risk management amount</u> under <u>clause</u>clauses 14.[2215] and 14.[40]:
- (bc) the methodology for determining the forward estimate of the minimum amount for which security will be required to be provided by a **participant** under clause [14A.5]:
- (ed) the methodology for determining the general prudential requirement under clause [8] of Schedule 14A.1:
- (de) the methodology for determining the minimum security required in respect of **FTRs** under clause [13] of Schedule 14A.1.

2 Approval of methodology

- (1) The **clearing manager** must submit to the **Authority** for approval a draft methodology.
- (2) In preparing the draft methodology, the **clearing manager** must—
 - (a) consult with persons that the **clearing manager** thinks are representative of the interests of persons likely to be substantially affected by the methodology; and
 - (b) consider submissions made on the methodology.
- (3) The **clearing manager** must provide a copy of each submission received under subclause (2) to the **Authority**.
- (4) The **Authority** must, as soon as practicable after receiving the draft methodology, by notice in writing to the **clearing manager**
 - (a) approve the methodology; or
 - (b) decline to approve the methodology.
- (5) If the **Authority** declines to approve the draft methodology, the **Authority** must **publish** the changes that the **Authority**

wishes the **clearing manager** to make to the draft methodology.

3 Consultation on proposed changes to methodology

- (1) When the **Authority publishes** the changes that the **Authority** wishes the **clearing manager** to make to the draft methodology under clause 2(5), the **Authority** must **notify** the **clearing manager** and interested parties of the date by which submissions on the changes must be received by the **Authority**.
- (2) Each submission on the changes to the draft methodology must be made in writing to the **Authority** and be received on or before the date specified by the **Authority** under subclause (1).
- (3) The **Authority** must—
 - (a) provide a copy of each submission received to the **clearing manager**; and
 - (b) **publish** the submissions.
- (4) The **clearing manager** may make its own submission on the changes to the draft methodology and the submissions received in relation to the changes.
- (5) The **Authority** must **publish** the **clearing manager's** submission when it is received.
- (6) The **Authority** must consider the submissions made to it on the changes to the draft methodology.
- (7) Following the consultation required by subclauses (1) to (6), the **Authority** may approve the methodology subject to the changes that the **Authority** considers appropriate being made by the **clearing manager**.

4 Variations to methodology

- (1) A **participant** or the **Authority** may submit a proposal for a variation to the methodology.
- (2) The **clearing manager** must provide a copy of each proposed variation received from a **participant** under subclause (1) to the **Authority**.
- (3) The **clearing manager** must consider a proposed variation to the methodology submitted under subclause (1).
- (4) The **clearing manager** may submit a request for a variation to the methodology to the **Authority**.
- (5) The consultation and approval requirements under clauses 2 and 3 apply to a request for a variation submitted under subclause (4) as if references to the draft methodology were a reference to the requested variation.
- (6) If the **clearing manager** does not submit a request for a variation submitted under subclause (1) to the **Authority** under subclause (4), the **Authority** may consider the proposal and require the **clearing manager** to submit a

request for a variation based on the proposal to the **Authority**, and subclause (5) applies accordingly.

- (7) The **Authority** may approve a variation requested under subclause (4) or subclause (6) without complying with the provisions referred to in subclause (5) if—
 - (a) the **Authority** considers that it is necessary or desirable in the public interest that the requested variation be made urgently; and
 - (b) the **Authority publishes** a notice of the variation and a statement of the reasons why the urgent variation is needed.
- (8) Every variation made under subclause (7) expires on the date that is 9 months after the date on which the variation is made.

Schedule 14.3

Calculation of amount of loss and constraint excess to be applied to the settlement of FTRs

1 Purpose

The purpose of this Schedule is to set out the formulae and process for the calculation under clause 14.[1634(3)] of the amount of the **loss and constraint excess** to be applied to the settlement of **FTRs**.

2 Interpretation

(1) In this Schedule, unless the context otherwise requires,—

AC line means any AC branch

balanced, in relation to an **FTR injection pattern**, means that the total positive and negative **hub injections** sum to 0. A **balanced FTR injection pattern** is consistent with a **grid** in which **losses** are not modelled

binding, in relation to a **constraint**, means that the **constraint** has a non-zero **shadow price**

branch constraint means a **constraint** in which all the **LHS** variables are branch flows

canonical form means a linear programming problem that is expressed in the following form:

maximise
$$c^T x$$

subject to $Ax \le b$

where

x is the vector of variables to be determined

c and b are vectors of constants

- A is a matrix of coefficients
- $c^{T}x$ is the objective function to be maximised
- $Ax \le b$ is the set of **constraints**, each row of Axbeing the **LHS** of a **constraint** and each element of b being the corresponding **RHS**

Minimum **constraints** are assumed to have been multiplied through by -1 to form an equivalent maximum **constraint**

Equality **constraints** are assumed to have initially been represented by a pair of minimum and maximum **constraints** with the same **LHS** and **RHS**, and then the resulting minimum **constraint** is assumed to have been multiplied through by -1 to form an equivalent maximum **constraint**

closed, in relation to a **branch**, means that the **branch** is connected at both ends

feasible region, in relation to an n-dimensional linear programming problem, means the n-dimensional solution space filled by the set of all possible feasible solutions

final pricing schedule means the schedule that the **pricing manager** uses to produce the **interim prices** on which **final prices** are based

FTR injection pattern means the combination of positive or negative net **hub injections** implied by a combination of **FTRs**

hub injection means the actual or notional flow of **electricity** into the **grid**, if positive, or out of the **grid**, if negative, at any **hub**

HVDC link has the same meaning as in the **model** formulation

LHS means the left hand side of a **constraint** expressed in **canonical form**

mixed constraint has the same meaning as in the model formulation

open, in relation to a **branch**, means that the **branch** is disconnected at 1 or both ends

operational system split means an instance where a **grid owner** chooses to operate with a switch or **branch open** for reasons such as—

- (a) breaking loops that would otherwise constrain flows; or
- (b) reducing the size of the maximum fault duty that switchgear needs to withstand

RHS means the right hand side of a **constraint** when expressed in **canonical form**

scheduled, in relation to a variable, means the value of the variable in the **final pricing schedule**

shadow price, in relation to an AC line capacity, branch constraint or mixed constraint, means the absolute value of the shadow price in \$/MWh for the AC line or constraint reported in the final pricing schedule

simultaneously feasible, in relation to an **FTR injection pattern**, means that the implied flows can be carried by the transmission system, subject to the **constraints** as defined by clause 5(2)

- (2) For the purposes of this Schedule, **constraints** that are not expressed in **canonical form** in the **model formulation** must be translated into the equivalent **canonical form**.
- 3 Amount of loss and constraint excess to be applied to settlement of FTRs The ensure of the loss and constraint energy that must be

The amount of the **loss and constraint excess** that must be applied to the settlement of **FTRs** under clause 14.[1634(5)] is the amount calculated under clause 9(6)(b).

4 Grid owner must determine normal grid configuration

- (1) Each **grid owner** must determine a normal **grid** configuration for the **grid owner's grid**.
- (2) The normal grid configuration determined under subclause (1) must be a grid configuration with all existing branches and switches closed except where the grid owner has implemented operational system splits and the grid owner considers that the normal state of those operational system splits is for the relevant branch or switch to be open.
- (3) Each grid owner must provide to the FTR manager the model data describing the normal grid configuration for the grid owner's grid determined under subclause (1).
- (4) Each **grid owner** must determine a new normal **grid** configuration for the **grid owner's grid** if the **grid owner** considers it necessary because, for example, any of the following occur:
 - (a) some **grid** equipment is commissioned or decommissioned:
 - (b) there is a change in the capacity or impedance of some **grid** equipment:
 - (c) the **grid owner** considers that the normal state of any **operational system split** has changed.

(5) Each **grid owner** must provide new model data to the **FTR manager** if the **grid owner** determines a new normal **grid** configuration for the **grid owner's grid** under subclause (4), unless otherwise agreed with the **FTR manager**.

5 FTR manager must determine FTR injection patterns

- (1) The **FTR manager** must determine a set of **balanced** extreme **FTR injection patterns**.
- (2) Each **balanced** extreme **FTR** injection pattern determined under subclause (1) must be **simultaneously feasible** assuming—
 - (a) the normal **grid** configuration determined under clause 4; and
 - (b) the absence of all other **grid** flows; and
 - (c) all **AC line** and **HVDC link** capacity limits applied; and
 - (d) all risk and reserve constraints disabled; and
 - (e) all **branch** variable **losses** set to 0; and
 - (f) all **branch** fixed **losses** set to 0.
- (3) The set of **balanced** extreme **FTR** injection patterns determined under subclause (1) must, in the reasonable opinion of the **FTR manager**, be the set of **FTR injection patterns** that best represents the extreme limits of the **feasible region** of **FTR injection patterns** as defined by the assumptions listed under subclause (2).
- (4) The **FTR manager** must determine a new set of **balanced** extreme **FTR injection patterns** if—
 - (a) a **grid owner** provides the **FTR manager** with new model data under clause 4(5) that results in a change to the **feasible region** of **FTR injection patterns**; or
 - (b) there is a change to the **hubs** or set of **hubs** specified in the **FTR allocation plan**.

6 FTR manager must determine matrix of lossless shift factors

- (1) For each **trading period** of the relevant<u>monthly</u> billing period, following the publication of final prices, the FTR manager must determine a matrix of lossless shift factors referenced to a set of reference nodes, from the input information or revised data used to produce the final pricing schedule, in accordance with the following:
 - (a) one reference **node** must be chosen within each electrical island:
 - (b) **nodes** are in the same electrical island if a transmission path exists between them.
 - (2) The matrix of lossless shift factors determined under subclause (1) must be calculated in accordance with the following matrix formula:

[ShiftFactor] = [AdmittancePrimitive] x [Inc] x [Impedance]		
where		
[ShiftFactor]	is the <i>m</i> by <i>n</i> matrix of lossless shift factors, which defines the increment in flow in the conventional forward flow direction on any branch in the transmission network resulting from an increment in net injection at any node together with an equal decrement in net injection at the reference node in the electrical island in which the node resides, while neglecting the effect of losses	
[AdmittancePrimitive]	is the m by m diagonal matrix formed from the set of m branch susceptances	
[Inc]	is the <i>m</i> by <i>n</i> lossless branch- node incidence matrix, which denotes the conventional from and to nodes for a branch by matrix entries of 1 and -1 respectively	
[Impedance]	is the <i>n</i> by <i>n</i> matrix formed from the inverse of [AdmittanceNodal] with the columns and rows associated with the reference nodes reinserted and filled with zeroes	
[AdmittanceNodal]	is the <i>n-r</i> by <i>n-r</i> matrix obtained from [AdmittanceNodalComplete] by deleting the column and row associated with each of the reference nodes	
[AdmittanceNodalComplete]	is the <i>n</i> by <i>n</i> matrix = $[Inc^{T}] x$ [AdmittancePrimitive] x [Inc]	

[ShiftFactor] = [AdmittancePrimitive] x [Inc] x [Impedance]

 $[Inc^{T}]$

is the *n* by *m* matrix transpose of [Inc]

- (3) For the purposes of subclauses (1) and (2)
 - (a) the set of inter-island HVDC links must be replaced by a single AC line with a nominal susceptance value between the Benmore and Haywards HVDC terminal nodes, whether or not any HVDC link is actually in service during the relevant trading period; and
 - (b) the nominal susceptance value determined under paragraph (a) may be any suitable value that will avoid numerical difficulties; and
 - (c) any switches between the Benmore HVDC terminal node and other Benmore nodes operating at the same nominal voltage that are normally closed must be treated as closed; and
 - (d) any switches between the Haywards HVDC terminal node and other Haywards nodes operating at the same nominal voltage that are normally closed must be treated as closed; and
 - (e) in any **trading period** in which any of the **hubs** reside in different electrical islands (as defined in subclause (1)(b)), the shift factor matrix for the previous **trading period** in which all the **hubs** resided in the same electrical island must be used.
- 7 FTR manager must determine branch participation loading and constraint participation loading
- (1) For each **trading period** of the relevant<u>monthly</u> billing period, the FTR manager must determine a branch participation loading for each AC line k.
 - (2) Each **branch** participation loading determined under subclause (1) must be calculated—
 - (a) in accordance with the following formula if the **scheduled** flow on the **AC line** is in the conventional forward flow direction:

$$\max\left(\sum_{h\in Hubs} SF_{k,h} \times Inj_{h,p} : p \in 1,...P\right); \text{ and }$$

(b) in accordance with the following formula if the **scheduled** flow on the **AC line** is in the conventional reverse flow direction:

$$-\min\left(\sum_{h\in Hubs} SF_{k,h} \times Inj_{h,p} : p \in 1,...P\right)$$

where

- $SF_{k,h}$ is the shift factor relating flows on AC line k to injections at hub h, determined under clause 6(1)
- $Inj_{h,p}$ is the positive or negative hub injection at hub h in FTR injection pattern p in the set of P balanced extreme FTR injection patterns determined under clause 5(1)
- (3) For each trading period of the relevant monthly billing period, for each binding branch constraint v involving AC line flows, the FTR manager must determine a constraint participation loading in accordance with the following formula:

$$\max\left(\sum_{k \in ACLineGroup_{v}}\sum_{h \in Hubs} weight_{k,v} \times SF_{k,h} \times Inj_{h,p} : p \in 1,...P\right)$$

where

$SF_{k,h}$ and $Inj_{h,p}$	are as defined in subclause (2)
----------------------------	---------------------------------

- $ACLineGroup_v$ is the set of AC lines involved in
branch constraint v (any HVDC
link flow terms in the constraint
must be excluded from this
calculation)
- weight
 $_{k,v}$ is the weight associated with AC
Line k in branch constraint v
expressed in canonical form
- (4) For each trading period of the relevant monthly billing period, for each binding mixed constraint v (if any) involving AC line flow terms or AC line variable loss terms, the FTR manager must determine a constraint participation loading in accordance with the following formula:

$\max\left(\sum_{k\in ACL}\right)$	$\sum_{ineGroup_{v}} \left(flowweight_{k,v} \times flow_{k,p} + lossweight_{k,v} \times loss_{k,p} \right) : p \in 1, P$
where	
ACLineGroup _v	is the set of AC lines whose flows or variable losses are involved in mixed constraint v (all other terms in the mixed constraint must be excluded from this calculation)
$flowweight_{k,v}$	is the weight associated with the flow on AC Line k in mixed constraint v expressed in canonical form
$lossweight_{k,v}$	is the weight associated with the variable losses on AC Line <i>k</i> in mixed constraint <i>v</i> expressed in canonical form
$flow_{k,p}$	is the flow on AC Line <i>k</i> due to FTR injection pattern <i>p</i> , which equals $\sum_{h \in Hubs} SF_{k,h} \times Inj_{h,p}$
$loss_{k,p}$	is the variable losses on AC Line k due to $flow_{k,p}$
$SF_{k,h}$ and $Inj_{h,p}$	are as defined in subclause (2)

(5) For the purposes of this clause, if **hub** *h* is a group of **nodes**, the positive or negative **hub injection** at **hub** *h* must be split into its individual nodal components in a manner consistent with the **hub** definition in the **FTR allocation plan**, and each nodal component must be treated as a separate **hub injection**.

8 FTR manager must assign portions of capacities

- (1) For each trading period of the relevant <u>monthly</u> billing period, the FTR manager must assign a portion of the capacity of each AC line, AC line loss curve block, binding branch constraint RHS and binding mixed constraint RHS (if any) for the purpose of determining amounts to be applied to the settlement of FTRs under clause 9(3) to (5).
 - (2) The portion of the capacity of each **AC line** to be assigned under subclause (1) must be the minimum of—

- (a) the line capacity applicable in the **trading period** in the **final pricing schedule**; and
- (b) the relevant **branch** participation loading determined under clause 7(1).
- (3) The portion of the capacity of each **AC line** loss curve block to be assigned under subclause (1) must be the portion of the loss curve block that would be utilised by a flow at the level of the capacity of the associated **AC line** assigned, as determined under subclause (2), assuming that loss curve blocks are utilised in order from lowest to highest **loss factor**, in the direction of flow.
- (4) Subject to subclause (5), the portion of the capacity of each binding branch constraint RHS or binding mixed constraint RHS (if any) to be assigned under subclause (1) must be the minimum of—
 - (a) the constraint RHS applicable in the trading period in the final pricing schedule, minus the contribution of any LHS terms not involving AC line flows or AC line variable losses, calculated assuming the values of the relevant variables applicable in the trading period in the final pricing schedule; and
 - (b) the relevant **constraint** participation loading determined under clause 7(3) or clause 7(4).
- (5) If the capacity determined under subclause (4) for any **constraint** is negative, the capacity to be assigned for that **constraint** must be 0.
- 9 FTR manager must calculate amounts to be applied to settlement of FTRs
- (1) The amounts calculated under this clause must be calculated using the flow quantities, nodal prices and **shadow prices** from the **final pricing schedule**.
- (2) The HVDC **loss and constraint excess** to be applied to the settlement of **FTRs** for each **trading period** of the relevant **monthly billing period** must be calculated in accordance with the following formula:

$$\max \begin{pmatrix} 0, \sum_{n(NI)} price_n \times \left(\sum_{l \in R_{HVDC}(n)} (HVDCLinkFlow_l - HVDCLinkLosses_l) - \sum_{l \in S_{HVDC}(n)} HVDCLinkFlow_l \right) \\ + \sum_{n(SI)} price_n \times \left(\sum_{l \in R_{HVDC}(n)} (HVDCLinkFlow_l - HVDCLinkLosses_l) - \sum_{l \in S_{HVDC}(n)} HVDCLinkFlow_l \right) \end{pmatrix} \div 2$$

where

is the energy price at AC **node** *n*

HVDCLinkLosses ₁	is the variable MW losses for HVDC link <i>l</i>
$S_{HVDC}(n)$	is the set of HVDC links for which <i>n</i> is the sending AC node
$R_{HVDC}(n)$	is the set of HVDC links for which <i>n</i> is the receiving AC node

(3) The amount of the **loss and constraint excess** generated by each **AC line** that is to be applied to the settlement of **FTRs** must be calculated in accordance with the following formula:

where

AssignedCapacity _{k}	is the portion of the capacity of AC line k assigned under clause 8(1)
$ShadowPrice_k$	is the shadow price of the line capacity on AC line <i>k</i>

(4) The amount of the loss and constraint excess generated by each binding branch constraint and binding mixed

constraint (if any) involving **AC line** flow terms or **AC line** variable loss terms to be applied to the settlement of **FTRs** must be calculated in accordance with the following formula:

AssignedCapacity_v × ShadowPrice_v ÷ 2

where

AssignedCapacity _v	is the portion of the capacity of the RHS of branch constraint or mixed constraint v assigned under clause 8(1)
ShadowPrice _v	is the shadow price of branch constraint or mixed constraint v

(5) The amount of the **loss and constraint excess** generated by each **AC line** loss curve block that is to be applied to the settlement of **FTRs** must be calculated in accordance with the following formula:

 $\min \left(ACLineFlow Block_{k,j}, AssignedCapacity_{k,j} \right) \times ReceivingEndPrice_{k} \\ \times \left(ACLineLossFactor_{k,marg} - ACLineLossFactor_{k,j} \right) \div 2$

Schedule 14.4 Form of hedge settlement agreement

Date: [Enter date]

Party A	
Party B	

1 Lodging of hedge settlement agreement

- 1. Party A and Party B (the **parties**) hereby lodge this **hedge settlement agreement** with the **clearing manager**, as contemplated by clause 14.8 of the Electricity Industry Participation Code 2010 (the **Code**). Terms that are used in this agreement but not defined bear the meaning given to them in the **Code**.
- 2. By lodging this **hedge settlement agreement** with the **clearing manager** in accordance with clause 14.8 of the **Code**, the **parties** agree to be bound by the terms set out below from the time at which the **clearing manager** counter-signs it.
- 3. If the **clearing manager** counter-signs this document then, from the time it counter-signs, it has obligations relating to it under the **Code**. However, the **parties** acknowledge the **clearing manager** is not bound by this document and that its obligations in relation to it are limited to those set out in the **Code**.

2 Definitions

The following definitions apply in this document:

aggregate fixed amount means, in relation to a **billing period**, the sum of the **fixed amounts** for each **calculation period** in that **billing period**

aggregate floating amount means, in relation to a **billing period**, the sum of the **floating amounts** for each **calculation period** in that **billing period**

calculation period means a trading period during the term

commencement date means the date specified as such in the schedule

expiry date means the date specified as such in the schedule

fixed amount means, in relation to a **calculation period**, an amount calculated using the following formula:

fixed amount = notional quantity x fixed price

fixed price means, in relation to a **calculation period**, the amount specified as such for that **calculation period** in the schedule

fixed price payer means, in relation to a **hedge settlement agreement**, the party specified as such in the schedule

floating amount means, in relation to a **calculation period**, an amount calculated using the following formula:

floating amount = notional quantity x floating price

floating price means, in relation to a calculation period, the final price per MWh for that calculation period by reference to the hedge reference point[, rounded to two decimal places]

floating price payer means, in relation to a hedge settlement agreement, the party specified as such in the schedule

hedge reference point means the grid exit point specified as such in the schedule

hedge settlement amount means, in relation to a billing period, the absolute value of the amount calculated by subtracting the aggregate floating amount from the aggregate fixed amount

notional quantity means, in relation to a **calculation period**, the number of **MWhs** specified as such in the schedule for that **calculation period**

term means the period from 00.00 hours on the **commencement date** until 23.59 hours on the date on which the **hedge settlement agreement** terminates.

3 Payment of hedge settlement amounts

In relation to a **billing period**:

- (a) if the **aggregate floating amount** exceeds the **aggregate fixed amount**:
 - (i) the floating price payer must pay the clearing manager an amount equal to the hedge settlement amount in relation to that billing period; and
 - (ii) the clearing manager must pay the fixed price payer an amount equal to the hedge settlement amount in relation to that billing period,

on the relevant [settlement date]; and

- (b) if the **aggregate fixed amount** exceeds the **aggregate floating amount**:
 - (i) the **fixed price payer** must pay the **clearing manager** an amount equal to the **hedge settlement amount** in relation to that **billing period**; and
 - (ii) the clearing manager must pay the floating price payer an amount equal to the hedge settlement amount in relation to that billing period,

on the relevant [settlement date].

[Note: The "settlement date" is the date on which payments are made under the Code. There is currently no defined term for this date, but if one is introduced into the drafting, that term will be used here rather than "settlement date". If no such term is introduced to the drafting, we will introduce a new definition above to describe this date.]

4 Termination

This **hedge settlement agreement** terminates on the earlier of:

- (a) the **expiry date**; and
- (b) the date on which it is cancelled under the **Code**.

5 Other provisions

The **fixed price** is inclusive of any additional costs arising due to carbon charges.

EXECUTION
