Re: Transmission Pricing Methodology Sunk Costs Working Paper

Thank you for the opportunity to provide feedback on the Electricity Authority (Authority's) Transmission Pricing Methodology (TPM) Sunk Costs Working Paper.

Contact Energy (Contact) has had the benefit of reading and considering Castalia Strategic Advisor's paper *Response to Electricity Authority Transmission Pricing Methodology: Sunk Costs Working Paper* commissioned by Contact, Genesis Energy, Mighty River Power and Trustpower and endorses the findings made in that paper.

Yours sincerely

Louise Griffin
