Notice of intention to grant exemption – Reconciliation Manager

Pursuant to regulation 194(3)(b) of the Electricity Governance Regulations 2003, the Commission is notifying an intention to grant an exemption to the Reconciliation Manager from compliance with rules 11.2 and 12.6 of part J of the Electricity Governance Rules 2003, as those rules applied prior to 23 August 2010.

The exemption has been proposed to enable the correction of errors made by TrustPower Limited and Contact Energy Limited in submission information provided to the Reconciliation Manager.

The notice of intention to grant an exemption is available at:

- <http://www.electricitycommission.govt.nz/rulesandregs/exemptions>

Submissions on the proposed exemption should be sent to submissions@electricitycommission.govt.nz by 5:00pm on Friday 22 October 2010.

Replacement of Commission website

With the establishment of the Electricity Authority, under the Electricity Industry Act 2010, a website for the new Authority will be launched on 1 November 2010, at www.ea.govt.nz

As the Commission will be disestablished from the above date, the Commission's website will no longer be accessible. Information currently obtained from the Commission's site will be available from the Authority's new site, although some older documents are being archived. These will be accessible on request. Please note that all links to the website will need to be updated including RSS feeds.

Contacts

Contact details for the Commission are provided at:
