Final decisions: Lower South Island Reliability Transmission Investment Proposal and Bunnythorpe-Haywards Thermal Upgrade (2006) Investment Proposal

On 6 September 2010, the Commission gave notice of intention to approve Transpower's Lower South Island Reliability Transmission Investment Proposal and Bunnythorpe-Haywards Thermal Upgrade (2006) Investment Proposal under rule 15 of section III of part F of the Electricity Governance Rules 2003.

As no request for a public conference was received within 10 working days of the notices in respect of either proposal, the decisions to approve the proposals are final.

Details are published at:

Consolidated report: sector alignment with suggested retail contract terms

Following completion of the confidential baseline review of individual retailer's domestic contracts, a consolidated report has been produced commenting on general alignment with suggested minimum terms across the sector.

It is available at:

- <http://www.electricitycommission.govt.nz/opdev/retail/domestic-contract#jun10-results>
-

Exemption 121 (TrustPower Limited) granted

TrustPower Limited has been granted exemption from compliance with rule 3.2 of part D and rule 5 of schedule J3 of part J of the Electricity Governance Rules 2003.

Details of the exemption are available at:

- <http://www.electricitycommission.govt.nz/rulesandregs/exemptions/index.html>
