Dear Sir/ Madam,

CONSULTANCY PAPER – IMPROVING TRANSPARENCY OF CONSUMERS’ ELECTRICITY CHARGES

I am writing on behalf of the Auckland Energy Consumer Trust.

The Trust has an ongoing interest in the question of transparency of consumers’ electricity charges, both as an owner of a significant part of Vector Ltd and as a consumer trust.

Trustees have read carefully the submission on this topic prepared for the Energy Trusts of New Zealand and totally support the submission.

Yours faithfully,

A handwritten signature in blue ink, appearing to read 'I R Ward'.
