- a. granting the exemption meets the requirements in section 11(2) of the Act for granting exemptions;
- b. the exemption is only needed on a short-term basis;

- d. Body Corporate Power will not have sufficient data to make an audit required for certification meaningful as some processes and procedures will not have been used in production; and
- e. due to the small number of ICPs involved, the exemption will have little or no impact on other participants and service providers, and will not affect any other Code provisions.
