Possible Breaches by Other Participants

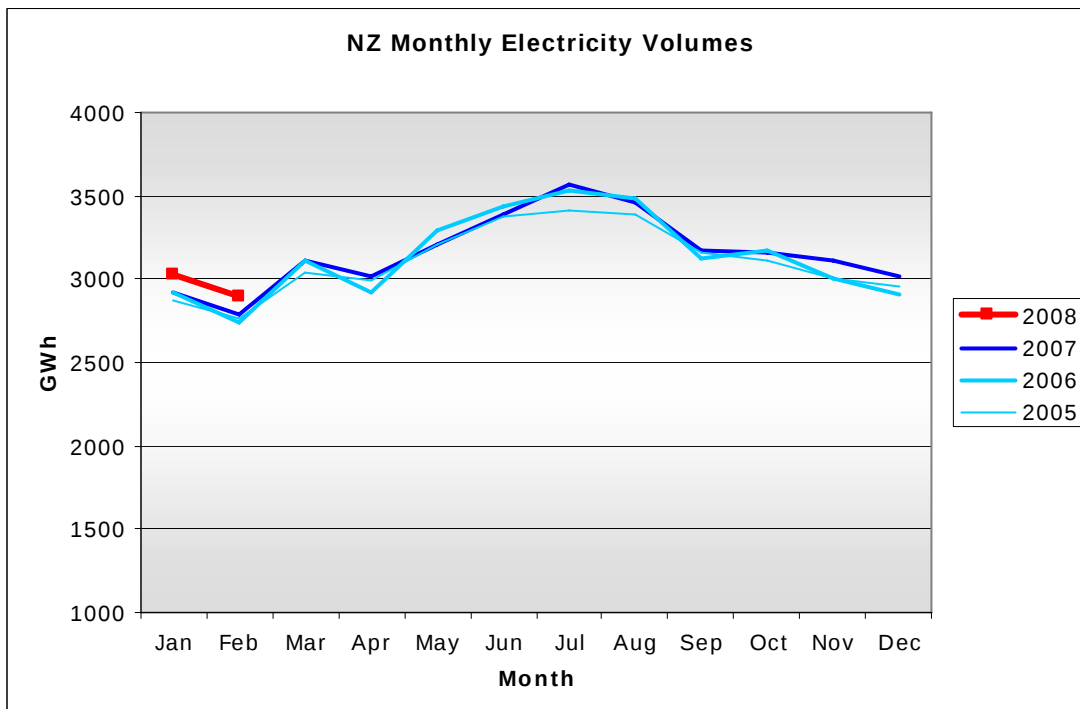

There are seven alleged breaches by participants reported to the Electricity Commission this month.

Electricity Demand

The graph below shows the electricity usage for each month from January 2005 to February 2008.

The following graphs show the same as the NZ Demand but broken down into North and South Island usage:

Weekly regional load information is available on our website www.ems.co.nz.

Other Issues

There are no other issues to report
