

Electricity Governance Regulations (Revocation of Exemption No. 89) Notice 2009

Pursuant to Regulation 194 and Regulation 196 of the Electricity Governance Regulations 2003, the Electricity Commission gives the following notice.

Notice

1. Title and commencement—(1) This notice is the Electricity Governance Regulations (Revocation of Exemption No. 89) Notice 2009.

(2) This notice comes into force on 30 July 2009.

2. Revocation of previous exemption—The Electricity Governance Regulations (Exemption No. 89 (System Operator)) Exemption Notice 2008* and the Corrigendum—Electricity Governance Regulations (Exemption No. 89 (System Operator)) Exemption Notice 2008† are revoked.

3. Reasons for revoking Exemption No. 89—The reasons for this revocation are:

- (a) immediately on the implementation of the system operator's market systems project ("MSP"), the system operator will not be able to partially dispatch instantaneous reserves during a period of a shortage of energy offers and/or reserve offers. Instead, the system operator will be able to comply with Clause 33.1 of Schedule C4 of Part C of the Rules in these circumstances; and
- (b) to clarify how the system operator will dispatch reserves in the event of a shortage of energy and/or reserve offers it is appropriate that the exemption be revoked.

Dated at Wellington this 22nd day of July 2009.

For and on behalf of the Electricity Commission:

DAVID CAYGILL, Chair.
