Consultation Paper – Treatment of Prudential Offsets in the Wholesale Market

Thank you for the opportunity to comment on the above consultation. We agree with the Authority's summary and recommendation that the existing mechanisms are effective because they avoid the cost, risk and practical issues associated with integrating clearing and settlement arrangements. We support maintaining the status quo. If you have any questions please contact me on rebekah.mccrae@mercury.co.nz or 09 308 8237.

Yours sincerely
