Dear Phil and James

Market Development Advisory Group (MDAG) 15 March meeting at Mercury Energy

I am writing to thank you on behalf of the MDAG for hosting us at your Auckland corporate office on 15 March.

We thank you for your hospitality, particularly the efforts of you and your staff to accommodate us and the various external guests who came to present.

The MDAG is also aware of the importance of gaining stakeholder feedback on its work. Members therefore appreciated Phil joining the group for lunch before briefly discussing his views on the *Review of spot market trading conduct provisions*.

Lastly, please convey a special thanks from the group and its secretariat to Stacey Ramsay and Maxine Green for arranging catering and the meeting technology before the meeting, as well as their assistance on the day. Their work helped ensure the MDAG enjoyed a successful meeting.

Yours sincerely

James Moulder
