Re: Consultation Paper - Code Review Programme number 4 - September 2019

Nova agrees with the Authority's proposed amendments 2019-01 through 2019-13. It has the following feedback on 2019-01:

Reference	2019 - 01 Revised timeframe for distributors to change price category code information in the registry
	Question 1: Do you agree with the Authority's problem definition? If not, why not?
	Yes
	Question 2: Do you agree with the Authority's proposed solution? If not, why not?
	Yes
	Question 3: Do you have any comments on the Authority's proposed Code drafting?
	Yes. The change to clause 8(2) of Schedule 11.1 should include reference to 7(h) & 7(i) as well (chargeable capacity & installation details). Sometimes a trader would also want to agree to backdating these fields on the registry to correct prior period charges.
	Question 4: Do you agree with the objectives of the proposed amendment? If not, why not?
	Yes
	Question 5: Do you agree the benefits of the proposed amendment outweigh its costs? If not, why not?
	Yes
	Question 6: Do you agree the proposed amendment is preferable to the other options? If not, please explain your preferred option in terms consistent with the Authority's statutory objective in section 15 of the Electricity Industry Act 2010.
	Yes

Yours sincerely

Paul Baker
