

# MARKET DEVELOPMENT ADVISORY GROUP

## ACTION LIST

The following are actions to be completed after meeting number 18 on Wednesday, 19 February 2020.

| Action # | Action                                                                                                                                                                                                                                         | To be completed by | Project                       | Date for completion | Status                                   |
|----------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------|-------------------------------|---------------------|------------------------------------------|
| 14.6     | Draft a recommendations paper from MDAG to the Authority on how best to proceed with incorporating new generating technologies in the Code.                                                                                                    | Secretariat        | New generating technologies   | November 2019       | Completed                                |
| 14.10    | Update MDAG on the Authority's thinking on addressing elements 4-8 of the trading conduct spectrum once the Authority had established a plan for work on these elements.                                                                       | Secretariat        | Trading Conduct               | May (2020)          | In progress – to be discussed at meeting |
| 17.1     | Secretariat to provide more detail on what the Authority is doing in response to each of the EPR recommendations at the next MDAG meeting.                                                                                                     | Secretariat        | General business              | February 2020       | In progress – to be discussed at meeting |
| 17.b.2   | Secretariat to publish the paper, including providing a 'no surprises' to the Minister of Energy and Resources, promoting the paper in the Authority's weekly Market Brief email, and finalising and publishing the accompanying 'Fact Sheet'. | Secretariat        | Trading Conduct               | February 2020       | Completed                                |
| 17.b.5   | Secretariat to write cover letter to Haast Energy to accompany final version of                                                                                                                                                                | Secretariat        | Haast Energy Trading Critique | February 2020       | Cancelled                                |

| Action # | Action                                                                                                                                                                                                                                                                                                    | To be completed by | Project                                         | Date for completion | Status    |
|----------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------|-------------------------------------------------|---------------------|-----------|
|          | Addendum addressing Haast's second point regarding inadequate scope of work                                                                                                                                                                                                                               |                    | of Concept report                               |                     |           |
| 18.2     | Secretariat to write covering letter for Chair's response to Haast letter on MDAGs Operating protocols                                                                                                                                                                                                    | Secretariat        | Haast Energy Trading Critique of Concept Report | March 2020          | Completed |
| 18.3     | Secretariat to ask Belly Gully to review the current draft Code                                                                                                                                                                                                                                           | Secretariat        | Trading Conduct discussion paper                | March 2020          | Completed |
| 18.3i    | Belly Gully to consider if clause(3)(c) of the draft should be in the Code                                                                                                                                                                                                                                | Secretariat        | Trading Conduct discussion paper                | April 2020          | Completed |
| 18.4     | Secretariat to add into paper questions about <ul style="list-style-type: none"> <li>Whether the test would cause unintended effects on investment or recovery of capital costs</li> <li>If the test should be narrowed to apply to pivotal or net pivotal, rather than all offering behaviour</li> </ul> |                    |                                                 |                     | Completed |
| 18.5     | Secretariat to respond to Brent Layton on the comments he provided on the High Standards of Trading Conduct discussion paper                                                                                                                                                                              | Secretariat        | Trading conduct discussion paper                | February 2020       | Completed |

| Action # | Action                                                                                              | To be completed by | Project                          | Date for completion | Status    |
|----------|-----------------------------------------------------------------------------------------------------|--------------------|----------------------------------|---------------------|-----------|
