Hi Andy,

You may have heard, after you left the call last week we got cut off from the Zoom meeting so Doug and I caught up one on one and we discussed a few points.

He was going to consider what we discussed and revert should any aspects of the report be updated.

I have no further comments.

Thanks for the opportunity to review the extracts that referred to Mercury – I hope the feedback was useful.

Regards,

James

Hi Nick

As discussed, I left a message on Phil's phone but wanted to make sure I talked to someone before sending this through.

Please find attached a letter seeking feedback on a fact checking exercise and an extract of the relevant material.

Let me know if you have any queries.

Kind rgds Andy
