**Subject:** Re: Wholesale market competition review

Seems to work now.

I know some other people had the same issue.

The page is now working, but the link to the consultation paper isn't working properly.

Can you get someone to forward me the paper direct, please.

Hi both,

Are you able to provide an update on when the preliminary issues paper etc will be released?

Also, there seems to be a problem with the Wholesale market competition review page:
