Hi Andy,

Thanks for the clarification re workshops. Also wondering whether the EA has considered cross-submissions given the significance of the topics, and the inevitable, strongly binary view-points you will hear?

I will get back to you re timing for a bilateral, if that is ok. You'll appreciate the 'we' can be a bit fluid as I am still teeing up who I will be doing what for etc.

Kind regards,

Hi Robert

We are not intending to hold workshops as such, but rather dedicated one on one consultation meetings over the consultation period.

There are a range of meetings already arranged. When you say 'we' is there someone in particular you're referring to?

Rgds Andy

Hi Andy.

Could you let me know if the EA is intending to hold a workshop on the wholesale market review? Or otherwise, who should we meet with at the EA to discuss? We have a few questions etc.

Thanks muchly,
