Hi Andy

That sounds fine. And yes I'll look after the Q+A session.

Have a good weekend.

Cheers

Yes that sound fine. To frame things a bit I'll run through (quickly) the presentation we gave to the media. That should be a helpful jumping off point.

To help with the flow though can I assume that you'll handle the zoom meeting itself (ie help steer who speaks/flow of questions sort of thing?)

Kind rgds Andy

Hi Andy

I just wanted to touch base ahead of the Monday 2pm zoom meeting with investors.

I'm not sure if you can see the acceptances come through your end, but we've had a good response to our invitation and so far 25 fund managers have indicated they plan to listen in.

In terms of the meeting structure, I thought I'd introduce you and maybe you could

introduce your team. Then maybe if you talk for 10-15 minutes on the key points from the report released yesterday and perhaps touch on where the 9 August blackout review is at, allowing ~45 minutes for Q+A.

Hopefully through the Q+A you'll get a good sense of investor views, as I'd be surprised if any engage on the consultation.

I'm out of the office tomorrow, back around lunchtime on Monday, but will checking emails remotely. I'm also available on my mobile below.

Cheers
Andrew
