Perfect. Monday at 10 works for me, thanks.

See the following Concept statements, in particular.

Hi Rob,

Your question seems to be more about the analysis of the Information paper, which S9(2)(a) is better placed to address than I am, but happy to come along. We'll need a couple of days to run our eye(s) back over the Concept paper and S9(2)(a) away on Friday. Could we catch up next Monday or Tuesday?

Monday morning we both look pretty flexible. How about 10am?

Hi S9(2)(a),

Thanks for your prompt response to my last query. Can we have a chat about the Concept August 2019 report.

I was going to ask some questions about it, but think it would be easier for everyone to just have a conversation.

The results and conclusions of the WMR appear to be very different to the similar Concept review for the Authority (Review of impact of trading conduct enforcement action on spot prices, Prepared for the Market Development Advisory Group, August 2019).
