Thanks. I will come over to the EA - looks like you've booked a room. I suspect Sam will too but we'll confirm.

Hi Doug

I'm keen to make sure I've understood exactly what you are after in terms of documents. I am tied up in Board meetings the next two days but would you have some time Thursday to discuss? I can shift stuff so around so that I can do basically any time before 3.30pm other than 11am to 12.30pm. Please let me know what would suit you. I will bring Sam if that's ok.

Cheers

Jason

Hi Jason

As you know as part of our review of competition in the spot market we have previously requested the updated contract that Meridian has with NZAS. Along the same lines we are interested in Meridian's decision making around that contract. Can you please provide me with all decision making documents (both Board and executive team) and supporting analysis relating to the power supply agreement that Meridian updated with NZAS, announced in January this year, including any consideration of the impact of the deal on the forward and spot markets.

Doug
