I refer to the Registry Manager Market Operator Service Provider Agreement (MOSPA) between the Electricity Authority (Authority) and Jade Software Corporation (NZ) Limited, dated 25 January 2017, relating to services provided by Jade Software Corporation (NZ) Limited as the registry manager.

The Authority would like to amend the MOSPA by:

- 1) replacing clause 2.1 of Schedule 1 (version 1.4) of the MOSPA with the following:

2.1. The monthly fee is as follows (the "**Monthly Fee**"):

Monthly Fee		Starting Index

	From 1 April 2018 until 1 July 2020	\$12,042.91
	From 1 July 2020	\$12,581.41
	From 1 June 2021	\$13,288.24
	From 1 July 2022	\$15,467.89
		1000

Services	\$39,025.75	1000

Additional requirements	\$570.00	No indexing

2) replacing the 'Disk' row of Table 2 in clause 5 of Schedule 1 (version 1.4) of the MOSPA with the following:

Disk	20,158GB
Backup	3,663GB

If you agree to it, this amendment will allow for the increase of disk capacity to cater for forecast storage requirements until 1 July 2023.

The amended Schedule 1 of the MOSPA will become version 1.5.

Please confirm your acceptance of the amendment set out in this letter by signing and returning a copy of this letter to me. This amendment to the MOSPA will take effect on 1 July 2022.

Yours sincerely

Richard Eglington
