Instructions for presenters

Presenters are to email their presentation by **5pm on Monday 15 June 2009** to david.lewis@electricitycommission.govt.nz or bring it with them on a flashdrive (or equivalent electronic medium) and provide this by 8.45 am on the day of their presentation.

Each organisation which has not provided its presentation by the 15 June 2009 is to **bring fifteen hard copies** of its presentation, and provide them to the Commission by 8.45 am on the day of presentation. You may provide extra copies for other attendees.

Please note that:

- presentations should be no more than 20 minutes. The remainder of each presenter's time slot will be available for questions;
- some presenters may not use up their full time slot therefore bringing your time forward. Please ensure you arrive early at the conference; and
- presentations will be published on the Commission's website. Accordingly, presentations cannot be subject to any confidentiality provisions
